SNOW KING and QUEEN

Roger Alsup Sandy Yates

Mr. Wysor, J-O-K-E-S does not spell math.

Look on the good side, maybe your boy friend is color blind.

What goes on up there?

Hey Sammy and Danny, what's in that corner?

They will huff and puff but never blow our wall down.

What's the Building Trade boys doing in Drafting???

Lanny demonstrates the hardships of an education.

Carl, do you believe in flying saucers?

Cecil, will you please take Larry's note!
